Love And Oreos: A Sudden Falls Romance

Synopsis

Can a career girl with an aversion to dating ever find the family life she craves almost as much as Oreos? Introducing the first book in The Mendoza Sisters trilogy of the Sudden Falls series, a romantic comedy about love, laughter, and the enduring bonds of sisterhood. Katherine Mendoza is curvy advertising exec whose passion for Oreos is tempered only by her career-driven, workaholic lifestyle. If it weren't for her sisters, both of them also single women, she wouldn't have any fun at all. But when an invitation to her high school reunion lands on her doorstep the same day she takes on the obscenely attractive owner of a chain of fitness centers as a client, she decides it's a sign from the gods. Who better to get her backside into shape than the guy whose backside she's about to save? Fitness-master Quinn Mitchell is more than happy to help Katherine slim down, but keeping his hands off her curves is proving to be the bigger challenge. Unfortunately, he's got oversized problems of his own: his fitness centers are coming under fire from a reporter with a vendetta, he's behind schedule and losing backers, and his business partner insists that being seen with anyone who's not model-thin is bad for business. In an epic clash of wits, wagers "and Oreos" Katherine and Quinn put everything on the line to succeed | but can they win it all without losing their hearts?" Elizabeth Bemis makes her sassy, sexy, confetti-worthy debut with *Love & Oreos*, the first book in her Sudden Falls contemporary series. Bemis' voice is humorous and sly, her characters realistically complicated, her storytelling engaging and silky smooth... The heart, heat, snark and energy in *Love & Oreos* make Bemis' inaugural release a bright and buoyant win." ~ USA TODAY Don't miss the other books in the Sudden Falls series! The Mendoza Sisters Trilogy: *LOVE & OREOS* (March 2015) *FRIENDS & FORTUNE COOKIES* (May 2015) *GENIUS & GINGERBREAD MEN* (November 2015) The Tremont Sisters Trilogy: *PROMISES & PINA COLADAS* (July 2015) *TEMPTATION & TEQUILA* (September 2015) *MARRIAGE & MARGARITAS* (January 2016)

Customer Reviews

I enjoyed Love & Oreos on so many different levels. First off, this is a charming love story about two people who obviously enjoy each other exactly as they are. No one is holding an attitude of "you need to be this in order for me to want to be with you" over heads or hearts. Quinn loved Katherine's curvy figure, in fact, lusted over it and he was absolutely fine with everything about her. The entire package was what made Katherine so funny, sexy and simply hot in Quinn's view. Yes, he wanted her healthy and able to take part in an active life with him "but never, ever did he demand or push her into getting into shape" | and for that attitude, I adored Quinn even more. Katherine is a driven executive who accepts herself as she is. Yes, she's taken the brunt over the years about her figure. Yet she is who she is "losing weight would be a good thing to do, but it is not a definition of who she is as a woman. She's comfortable with her curves and honestly, when a hot male like Quinn enjoys those curves as well why on earth would she change herself in order to fit in with the world". When she comes to the decision "on her own" to start living a more healthy life in order to rock a reunion, and to feel better about herself, it's a decision she has made and no one forced her into it. Her self-esteem, her life, her body, her decision. Of course there were bumps in the romance, misunderstandings and a few characters that were offensive "and one nasty piece of work who was out to ruin Quinn, and if that meant taking the lady he obviously enjoyed being with, Katherine, down too, so be it. The author allowed both characters to be vulnerable at times within this lovely story. And that was a delightful turn of events for me.
