## Synopsis

www.SheilasPlace.com When it comes to men, sisters don't share! After a fake food poisoning incident in L.A., Bailey Sterling's dreams of becoming a caterer to the stars collapse faster than a soufflé. Now Bailey's face is in all the gossip rags and her business is in ruins. But the Sterling women close ranks and bring her back to Icicle Falls, where she'll stay with her sister Cecily. All goes well between the sisters until Bailey comes up with a new business idea; a tea shop on a charming street called Lavender Lane. She's going into partnership with Todd Black, who; it turns out; is the man Cecily's started dating. It looks to Cecily as if there's more than tea brewing in that cute little shop. And she's not pleased. Wait! Isn't Cecily seeing Luke Goodman? He's a widower with an adorable little girl, and yes, Cecily does care about him. But Todd's the one who sends her zing-o-meter off the charts. So now what? Should you have to choose between your sister and the man you love (or think you love)?

## Customer Reviews

Just like this book description reads, Todd makes Bailey's 'zing-o-meter' go off the charts, don't let this cover fool you into thinking this book doesn't have some heat to it! (No, it's clean, but there IS

some heat in Icicle Falls! LOL!) This was my first time reading about life in Icicle Falls, and I enjoyed it, (brrrr! Kind of chilly there with that name! Just kidding! Like I said, quite the opposite!) but one thing in the beginning didn't make sense to me, and this very well could have been the fact that this is Book 5 in the series, and this is my very first Life in Icicle Falls book. In the very beginning, I really didn't understand why when there was a fake food poisoning Bailey automatically thought it was 'her fault', packed up as fast as she could, and flew out of the event? Who knows why that woman started choking and acting like an idiot for. Even Bailey wondered if it could have been an allergic reaction, so why did Bailey think it was something 'she' caused? Did she have that little confidence in herself to completely ruin her business because that IS what she thought she did? Hmmm? Or, this could have just been a subconscious reason to take herself back home to Icicle Falls to live with her sister Cecily until she can get on her own feet there? Cecily is dating Todd, and Bailey and Todd have lunch together about deciding to go into business together, Cecily sees them having lunch, and another sister loses her confidence in herself and she dumps this boyfriend? Cecily found fear in that lunch for some reason and gets very upset at her sister. She takes her anger out on her because she feels threatened by Bailey and Todd's business partnership, which Cecily manages to forget that is what their relationship is about, and not against Cecily.
