## Customer Reviews

Insecure Allison is recovering from breaking up with her cheating ex-boyfriend and losing her job when she gets offered the job of her dreams. Her new boss has a hot brother named Jake, and he has a hot friend named Hunter. Both men want her. Allison fears she may lose her new, dream job before she gets started when she gets caught leaving Jake's bedroom.

This was just the book I needed right now. An easy and loveable story with men how are hot so my iPad almost burns up. I love ménage book, but think there are very few of them who are really good, and have a story to it and not just sex. This story I loved and cannot wait till the kids are in bed and I can continue with book no two. Hope that the rest of the series will be just as good. End with a cliffhanger.

This is the first read for Miss Scarlett and I was floored by her book!! She not only brings you into the story but she details the littlest thing to make you appreciate and experience the story of Ali and Jake!! Ali who has never been appreciated by the men she was involved with and was left so insecure about her body, but Jake is there to show not just with words but with his body how much she is beautiful!! Loved it and I can't wait to read the next book of this series!

Dann. Ali wow. Walks in on a cheating live in boyfriend. Then loses her job. Ends up getting a dream job and meets 2 hot and steamy men. I'm told that this series has a HEA ending. With the hot sex in this book I'm sure it promises more. Checked out all reviews on the other 4 books so I bought the full series. Even looks like Hunter gets his own series too.

Wow is this book hot and fun!! These two cowboys are hot!!! They are attracted to Allison from the first moment they meet here. They begin to flirt mercilessly and like to fluster Allison. This is a beginning of a very hot little series! Totally steamy and hilarious! Very enjoyable read!

Great characters you can relate to and love. Hot guys, hot girl, scorching sex scene, what more can

you ask for. Would have liked more...ends on cliffhanger so be forwarned. But very enjoyable and will look at book 2 for sure.

I read the whole series of Billionaires Indulgence books and enjoyed each and every one. The guyes you use on the covers of the books are really ripped and hot. Keep those books coming because you have another fan.

Really love the style of writing..and love seeing where Ali is headed, after dealing with her stupid ex!! Highly recommend if you like a story of a real woman, not a stick figure and the possibility of two sexy cowboys!!
