## Customer Reviews

Love these Magic Tree books for my 8 yr old. He can read them easily and has nice imaginative adventures, not spooky, gory, or too magical. I get them in English and Spanish, which is great! Not too many options for Spanish books, which I need, as my kids are in Dual Immersion Spanish program. Great price too!

Esta mal editado, con colores pobres, le faltan pÃ¡ginas y mal escrito el hecho narrativo. El editor se brinco hojas o al escritor se le perdiÃ³ el hilo narrativo. This badly edited, with poor color, missing pages and misspelled the narrative fact. The publisher or the writer leaves jump he lost the narrative thread

book took a little time to come in, but it's cheap and perfect

I have a sponsored child in Bogota, Columbia. She likes to read and only speaks Spanish. I was so

happy to find appropriate books for her in the Spanish language. I sent her this book for Christmas and I know she will be so happy to have a book of her own to keep.
