## Synopsis

\*\*\*\$3.99 is a SPECIAL TEMPORARY PRICE! \*\*\* A girl fighting her way through the darkness. A sexy business tycoon on a revenge mission. Meet Elizabeth Williams. She is at the airport on an important work assignment. If everything goes smoothly, after three years of hard work, she'll get a promotion and a much-needed raise. Elizabeth is putting her life back on track after it was ripped out from under her feet four years ago when she lost her parents along with all her dreams. Standing here, she believes her life is going to change for the better any moment now. Nothing can go wrong, right? Meet Ryan Price. Hot CEO who came to Moscow on business. Right now, Ryan is standing at the airport looking at a present from his brother, judging by the sign a beautiful young woman is holding. Damn his brother for not cancelling this arrangement as Ryan asked. Miscommunications and misunderstandings, and a love story begins. There will be a scary flight, lovely breakfasts, long evening conversations, sharing a secret or two, discovering one another, a lot of laughter, tender moments and some tears, a fight and, of course, the I-am-ready-for-the-end-of-the-world kiss. Somewhere along the way, they won't be able to fight their feelings any longer. For the first time in his life, Ryan will experience a different shade of lust. And for the first time in her life, Elizabeth will have to trust despite all of the times she has been hurt. Will these two wounded lost souls find love, peace and comfort in each other or will they just break each other more? Is it a train wreck of a love story or a happily ever after? Warning: This is a full-length novel that includes mature content, and thus is intended for adult readers only. (18+)

## Customer Reviews

WOW WOW WOW! I absolutely LOVED LOVED LOVED this Duet! Elizabeth Williams has put her life back together after losing her parents and dreams in one fell swoop. She finally has a shot at a promotion and raise at work, when she's sent on an assignment to pick up so very important clients and making sure they get to the meeting. When sexy CEO, Ryan Price sees the beautiful woman with a sign up, he believes this is brother's present to him, and it irritates him so he snaps at Elizabeth to put the sign down so they can go. This sets up a series of misunderstandings which lead to love for these two tortured souls. But Ryan thinks he's too damaged, and Elizabeth is innocent and lets no one close. The more time they spend together, the more difficult it becomes to deny their feelings. As they give it a shot, Ryan can't help himself but to want to control everything, so in trying to protect Liz, he goes about it the wrong way by keeping things from her while he tries and fixes it himself. This is making it hard for Liz to keep trusting him, and he's very close to losing her. When he makes the ultimate bad choice of keeping the biggest secret of all, will he be able to ever get her to forgive him? So Emily Krat had my girly girl dramatic emotions triggered all over the place. But her talented writing style kept me going along for the whole emotional roller coaster ride that had me shouting very bad words along the way. The character development is great, with an entertaining cast of secondaries. Dare I say, that Mark has to have his own story? (Hint hint). A highly addicting, emotionally charged, and well written storyline flows very smoothly.
