# The Edge Of Dominance (The Doms Of Her Life Book 4)

## Synopsis

Now that Macen â œHammerâ • Hammerman shares the bond heâ™s long craved with Raine Kendall and his best friend, Liam Oâ™Neill, he should be looking forward to a bright future. But recent trauma has exhumed the demons Hammer thought long buried. He must confront them while Raine fights to forget her past and Liam struggles to keep their new family intact. When a shadowy figure emerges, determined to right old wrongs, he sets in motion a plot that threatens to tear the trio apart forever. With emotions running high and forces mounting against them, can they battle their foes and bury their ghosts so they can live happily ever after?

## Customer Reviews

**FINAL DECISION:** A worthy conclusion to the complicated romance between Raine, Macon and Liam, this book left me with a happy feeling for the three and a burning desire to hear more about their friends.  
**THE STORY:** In this final chapter of the romance between Raine, Macon and Liam, the three are dealing with the revelation of Raine's pregnancy and also with Macon's unresolved feelings after Raine's abduction in book 3. This book which has some humor with the arrival of Liam's parents, mostly deals with a serious threat to the happiness of the three that comes from Macon's past.  
**OPINION:** This book is just a guilty pleasure crazy ride. The story goes in directions

that really cannot be anticipated from the prior books and I loved it!The trio is really challenged in this book as external forces threaten their happiness. Finally, we learn about Macen's past and it is his past which threatens them. I thought this was the most emotional that we have seen Macen and I truly felt that with his emotional breakthrough in this book, the trio is on the best footing ever.This book has a bit of a suspense/crime mystery involved as Macen is in danger of spending most of his life in jail. The question for the friendly characters is who is out to get him. This threat to Macen and the accompanying loss of control forces Macen to examine his life and make deep emotional changes. I loved his struggle in this book (he's been my favorite in the series). I also loved how he has to lean on Liam and Raine (whereas previously he has been the steady one for them).I loved the new characters that we got to meet. Liam's parents come to visit and their arrival changes the dynamic of this book.
