Side Chick Antics: Introducing Maxine

Synopsis

If you've seen one side chick, you've seen them all but do you really know them? What makes them stay with a man who lives with and claims another woman while the side chick lives in secrecy, accepting stolen moments with the other woman's husband? Well here you'll meet Maxine who'll give you a cinematic answer to these problematic love questions. Read on to find out about her current lover, what makes her tick, their relationship work and if remaining a secret is on her list of 'must do's'. In other words, will Maxine expose the secret life her lover, Jarreaux, has been living or just remain quiet like a 'good side chick' is supposed to do?

Customer Reviews

Now normally I can't stand these little dirty side chicks but Maxine had me rooting for her honey. At 1 point I found myself saying "Girl if you don't get your attitude in check you gone run that man away" then it hit me she the damn side chick. In order not to give away any spoilers I'm just gone tell you to read it trust me you won't be disappointed.

This book was awesome can't wait for part 2 hope it comes out soon cause I'm so ready for it

First read by the Author, and it was good. I felt like Max and Kiara was pretty and silly for doing the things they did. Now it's smoke in the air for Max and I am wondering what will happen next.

I definitely don't want my man to have a side chick like Maxine!! She was too much. Great read!
