Aside from the actual content, the physical copy of this book is just beautiful. I had never seen any book designed in the way this one is. Every couple pages would be white text on black paper and different illustration done in purely black and white. So interesting and cool. Now to the even more beautiful content. It took me a while to read this one; not necessarily because it was long, because it wasnâ™t, it was just so much. Not only is the writing heart-wrenching, it actually makes you feel vulnerable as you read it. That was my experience, anyway. In a recent Instagram post, R.M. Drake stated that this book was dedicated to a late friend of his. You really do feel the love bleeding from his sentences as you read this masterpiece. Itâ™s just so pure, honest, and raw. He writes about life and love so delicately, yet so bluntly. It almost makes you feel as if you should just be living for more. I love everything that Iâ™ve read from R.M. Drake so far, and I donâ™t think Iâ™ll be stopping any time soon. - Bianca B.

So happy I purchased this book! I love reading all his posts on Instagram and thought it would be

nice to not only support his work but have a hard copy to read whenever I'd like. I truly enjoyed reading every page! R.M. Drake uses his words in a way that really speaks to his readers. I also like the artwork on each page and it helps showcase the creative work from others. If you already like his work from seeing it on social media forums, definitely get this book. You won't be disappointed!

This book will give you all sorts of feelings that I don't really have words for. Which in and of itself is absolutely beautiful. These pages are filled with nothing short of magic. I recommend this along with Chasers of the Light and Mouthful of Forever.

LOVE, Love, love this book of poetry!!! Real and raw! I felt as if the author put his lips on mine and sucked out my soul. As if he read my mind and thoughts and feelings. Each poem is a work of art and powerful! I read this in its entirety at least once a week. Excellent!

Fantastic read! I'm in the process of ordering all of R.M. Drake's books because I have enjoyed this one so much. The shipping time was correct on when I was expecting it and the book was in perfect condition. I am overall very pleased with this product.

I love this book. It makes you realize a lot of things about your life. I suggest it to anyone.

My granddaughter (15 yrs) was thrilled with the book, loved the poems!

Nothing special here just Hallmark like feelings and poetry that doesn't really do anything except appeal to a certain niche that like words that have already been written by others way before this. Unfortunately poetry has become saturated with the rise of social media and some become published based upon popularity rather than quality. This is nothing special that hasn't been done before and not worth the money. But most mindless followers will lick this up not to say there aren't a few good poems just nothing new here.
