Incredibly amazing. The book itself is a poem, as the poems are ordered and created in a way that speaks out to going back in time poetically as well. Each poem in this book is so beautiful and lovely, so carefully and well crafted. Soul did an amazing job and I never tire of reading and rereading the pieces in this book as there is so much meaning in each word. Beautifully and sometimes tragically nostalgic.

Beautiful book, descriptive of a different life and a man's journey into a contrary culture. Well done, Soul Vang, well done.

Great book, written by an awesome instructor I had the privilege of being in his class.
