Age Range: 4 - 7 years

Grade Level: Preschool - 2

Customer Reviews

So many children's book read like translations, but here is one that is fun, creative, and reads like someone wrote it in Spanish. Even in Spanish speaking countries it is hard to find books for children, especially children under five, that are not translations from other languages. YO TENIA UN HIPOPOTAMO has my two and a half year old squealing for joy as the boy in the story gives away different animals to family and friends, and in the process learns some great vocabulary. The illustrations are also fun. This is a book that will hold a child's interest whether they be 1 1/2 or 4.

Nuestro hijo tiene este libro, y es uno de sus preferidos. Puede ser difÃ­cil encontrar un libro de los niÃ±os de la calidad en espaÃ±ol y por un autor de habla hispana cuando usted estÃ¡ en un paÃ­s de discurso no-espaÃ±ol, pero usted encontrarÃ¡ uno en este tÃ­tulo. AdemÃ¡s, las ilustraciones son muy hermosas mirar, y el texto introduce no solamente muchos diversos animales, pero tambiÃ©n muchas diversas palabras espaÃ±olas para las relaciones (vecino, abuela, primo, etc). Dos pulgares para arriba (y cinco estrellas)!

I read this book in Spanish to my Kindergarten up to fifth grade students. They love the story! It has a lot of repetition which is great for them to hear. They love the animals and realizing that they are animal crackers.
