## Synopsis

A stirring set of shorts from the author that brought you Her Calling. **Bandaged Soul:** Stevie has been trying to mend a broken heart and tear down walls sheâ€™s had in place for years. Those things are easier to overcome than the battered soul she keeps hidden from the world. With the tough, brotherly love of her best friend Devin and a new love interest, she might finally succeed. **The Spaces Between:** Can love survive a galaxy of separation? Find out in this tale of one womanâ€™s search through the stars. Aliens, blaster fights and warp jumps keep Harley on her toes as she scours distant planets for her lost love. **Love Untold:** That first step, telling someone how you feel about them, is always the hardest. That step can be even more difficult when the one you love is your best friend. Join Lily as she decides between maintaining her lifelong friendship with Carly and risking it all to finally admit her true feelings. **Timeless Love:** After waking up from a blackout confused and unsure of her surroundings, Mel finds herself sucked into a new, unbelievable reality. Where, and when, sheâ€™s landed will challenge everything she thought she knew and change her life. When life throws her yet another curveball, will she find a way to get back to the new life sheâ€™s built or lose it all forever?

Bandaged Soul is a wonderful collection of four short stories. The characters were vibrant and popped off the page. I loved the twists and turns in each story. Easy, fun reading!

Bandaged Soul is a compelling collection of stories about people who falter in the game of love. Kaden Shay has a distinct voice. She creates characters who display both strength and vulnerability, and reminds the reader that the one risk worth taking in life is to risk your heart.
