Their Reluctant Bride (Bridgewater Menage Series Book 6)

Synopsis

Emily Woodhouse is a penniless, homeless widow thanks to her recently deceased husband. His gambling ways have placed her in a desperate situation. Faced with working off his debt in the basest of ways, she chooses instead to accept Tyler and Xander's unconventional marriage proposal. She won't be marrying one man, but two. Tyler and Xander know instantly that Emily is the one for them. Not only does the widowed young woman rouse their protective natures, she knows of their customs regarding a two husband marriage. Despite the fact that Emily needs the safety they can offer, she isn't eager to remarry. She might be reluctant, but they will show her what it will be like with two men to cherish, protect and possess her. But the past catches up with them in the most dangerous of ways. Only in facing the past can they forge a future together.

Customer Reviews

I loved everyone of the books in this series. I love the idea of 2 or more men to each woman. I would like to be cherished and protected. Just to feel that special and to be put 1st. before the men! Wow! Fast reading and good stories!

We meet a Widow in trouble. Her husband died owing a lot of money. One guy wont let it go and told her she had to pay off her husbands debt on her back. Her friend Olivia has decided to set her up with her cousin. Will she accept the offer? Will she marry the guys? Will they protector? What will happen next?

I couldn't stop with just 1 book. The 1st in the series was so good I bought, and read them all, until the last word in book 6. No errors, that I can recall, wonderful humor with drama mixed in makes exceptional reading material.

.4.5 STARS I do love a hot, sexy menage. Especially when it involves two very hot, sexy ranchers like our two hero's, Xander and Tyler. Our heroine, Emily is a very recent widow who had been married to a mean and nasty drunk until he met his untimely death. He has left her virtually penniless and in a mess of trouble with a man called Ralph that wants to claim her for payment of her late husbands debts. Along comes Xander and Tyler with an offer that just might save her from the clutches of the despicable Ralph and what he knows about the death of Emily's husband. I had read book one in this Bridgewater series awhile ago and loved it. This was no exception and I look forward to more in this series. **A copy of this book was given to me in exchange for an honest review*.

If you like erotic literature with M/F/M in a historical setting, then you should definitely get like Their Reluctant Bride. You will not be disappointed. Their Reluctant Bride tells the story of a down on her luck widow who finds herself in a desperate situation. To help keep her late husbands debt collector at bay, Emily finds herself married to not one, but two sexy Cowboys.....This book is a quick, hot and steamy read! Perfect for curling up with on a cold night.....you'll be overheated in minutes! ARC received for an honest review

Ms. Vale takes her readers back to Bridgewater in this next novella in the series. This story is more about trust and in many ways domination rather than anything else. Ms. Vale has an insightful way of sharing these tales that make not only her characters relatable but also almost touchable. This is

a tale that involves protection and some domestic violence so don't be surprised in that or that in the long run there is a HEA.

I love this author and this is another great series by Vanessa Vale, second only to her Montana Maidens series. I recommend reading the other books in the series first; you'll understand the reasoning behind the Bridgewater men's ways and the other character's much better. You'll also thank me, as they are all hot and fun. If you like erotic menage with hot, possessive cowboys, read this entire series, you'll be glad you did!* I received a free copy of this book for an honest review.

New to me author and definitely a new concept. I received this book as an ARC in exchange for an honest review. New to the idea of being married to more than one man, Emily agrees to marry them to save herself and her home. Although she doesn't tell them at first, why she agreed. They teach her about love, lust, and passion. Very hot and once I started reading, I couldn't stop. Can't wait to read the other books in the series!! Definitely recommended!!
