# Homenaje A Cataluña (Spanish Edition)

## Synopsis

Sin duda uno de los libros más importantes del siglo XX. Una obra clave sobre la guerra civil española por uno de los principales escritores de la época y testigo del episodio. Homenaje a Cataluña es un libro admirado por autores de toda época y condición, desde Connolly o Trilling hasta Javier Cercas, Antony Beevor o Mario Vargas Llosa, que llegaron en los años sesenta a Barcelona con esta obra bajo el brazo. Un texto clave sobre la guerra de España, que sirvió de ensayo general a la Segunda Guerra Mundial, y que recoge la experiencia personal de George Orwell. El autor británico llegó en diciembre de 1936 a una Barcelona en plena efervescencia revolucionaria y en menos de un año tuvo que huir de la implacable maquinaria soviética por haber formado parte de las milicias del POUM. La honestidad y el coraje con el que Orwell narra lo que vivió le convierten en el escritor moral por excelencia. Homenaje a Cataluña es un poderoso manifiesto del hombre contra las abstracciones que acaban conduciendo inevitablemente al terror. La crítica dijo... «Un retrato inmejorable de los rumores, las sospechas y la traición de una guerra civil.» Antony Beevor

## Customer Reviews

It's not the best book by George Orwell although it gives a great impression of Spain Civil war, before reading this I had a totally different idea of this period on Cataluña. Something that I took

from the book is the basic strategy of military actions on the line in that time, because of the limitations of weaponry and resources being on the line is more about resistance than actual shooting skills.

Because there is other Catalan and very popular in Spain book named "Victus. After have read Victus that tale the 1714 victory of the French country against the Catalanes I was interested to know The civil Spain war that begun 1936-1937.

So I didn't read the whole thing, but the cover of the book is very nice and some pages are glossy pictures. High quality stuff.
