Needed something meaningful for a pair of recently arrived English learners scheduled into a basic exploratory Spanish class for the second consecutive semester, and this middle school classic fit the bill perfectly. The boys were hooked in no time by the intriguing plot and engaging main character.

I needed this book for a student and took the chance that I could buy it used. It looked very good when I got it. The student was thrilled to be able to understand what was being said about the book. Wish I could find more books in Spanish.

me encantÃ³ este libro desde que lo trabaje con estudiantes de tercer grado, ahora planeo usarlo con quinto grado. Sobretudo cuando se regresa en el tiempo y como todos los eventos van ligados

con el desenlace.

Bought 12 of these books for a classroom set for a Spanish immersion 4th grade classroom-great addition to the classroom library.
