## Customer Reviews

Each time that I review a novel of the Infidelity series, I make it a point to emphasize this series is not about cheating on a partner or spouse. I know many readers are sensitive to the topic of cheating, but according to author Aleatha Romig, "The Infidelity series does not advocate or glorify cheating. This series is about the inner struggle of compromising your beliefs in your heart." Prepare yourself for a serious case of anxiety if you choose to read this expertly crafted dark romantic suspense series. Prepare yourself for deceit. Lies. Threats. Betrayal. Abuse. Entrapment. With each novel released, Romig continues to ratchet up the intensity as we are approaching the climax of the series. Alexandria "Charli" Charles Montague Collins finds herself caught in a sticky spider web, trapped in a "house of horrors" in Entrapment, the fourth full-length novel of this five book series. Would you like to experience a crazy adrenaline rush? Romig's words are angst-inducing from the very start! The prologue of Entrapment recalls the rather disturbing end of Deception, and then the angst starts building from chapter one, peaking at the climax of the novel. Entrapment is thrilling, exciting to read, but it was also scary for me because I've really come to embrace some of Romig's characters in this series. As the novel nears its climax, the action becomes more urgent, more fear-inducing, even promising violence, and then Romig pulls the rug out from under us with one of the cruelest cliffhangers ever written! The writing and character dialogue in Entrapment flows beautifully. So far, in this series, Romig's writing has been seamless from one book to the next.

I so wish I could give this Book 10 stars because it enraged me to the depths of my core that NO other book has ever enraged me on the inside, my entire being held such a fury of fire. It's this style of books, and even though I say Enraged I Still Love the book but some of the characters and parts of the book I hated, is it ok to love and hate a book? For me absolutely because I am invested into the entire concept and she wanted me furious, it was the plan of this writer to keep us on our toes to dig in our brains and think back into the other books and answer our own what if, buts and whys if we can, to bring all these books together to start entwining them. Because in truth we just got Aleatha'd all over Again! Yep, You did that Aleatha Romig! The writing in the book is so intense that you do not want to put it down for a second, maybe a break here or there but for the most part I was in the Zone yep Aleatha's Crazy Frenzy Reading Zone. You can only stop to rest just enough to muddle through the work day because you have get back and finish the book. I had read all but 10 chapters but I knew they would be doozies and I needed a break a clear head to get to the end! And Goodness that ending, I won't lie it's a Big ole cliffy and it's disturbing and made me feel Rage! I

wanted to punch people and become a wild woman, yep you did that as well Aleatha! lol But it is such great writing that its all real, seriously it feels like this is all real, not fiction. Through these books we have invested time and learned and loved these people and want to help them, defend them. She has built her characters up to such a level that you are furious when they falter because this is fiction they are not suppose to do that not "these people".

Entrapment (Infidelity #4) by Aleatha Romig 4.5 stars!!!  
•My Charli was the most beautiful blue dot in the world.  
•Entrapment is the penultimate book in the totally thrilling Infidelity series and Aleatha Romig doesn't let up on this rollercoaster ride. It seems we are going around again!! After the jaw dropping ending to Deception, Entrapment begins where we were left hanging. Charli is once again in the hands of her evil step father, Alton and Bryce, the man that she is expected to marry, two men that I wouldn't and couldn't trust as far as I could throw them. The lengths that these two will go to, to line their pockets with ill-gotten gains holds no bounds. Alton and Bryce are two men without morals or scruples and it seems that they haven't played their best hand yet.  
•I knew that no one within the manor would throw me a life raft. I was alone in a sea of people.  
•Entrapment is a total role reversal from the previous books. In Entrapment, Charli really shows her inner strength and shows that she can be just as conniving as the men that are trying to dictate her life. Charli has a plan, but it remains to be seen whether it holds any merit and the possibilities for failure are endless especially when she is up against two men that are dictators and have a bottomless pit of money at their fingertips to ensure her co-operation. Blackmail, security, locks, tracking, video feeds are the bane of her life and ensure her compliance. She is a hamster in a cage and big brother was definitely watching.  
•You said it, Alex. Nothing here is real.  
•Charli has to pull on every ounce of reserve she has to get through this, but it is Nox's love and the love that she has for her mother that keeps her going.
