Another bear goes down. Tania is Mari's besty, she is on the timid side and is afraid of the bears, Tyler and Cole the exceptions. When Tania sees Jake bully Mari at the Pack/Clan barbeque she strands up for her friend. Who knew a knee to the balls would trigger a free for all. A reluctant

apology brings Tania to Jake's cabin. Jake just found his mate. Great story. Poor Ethan, once again he inadvertently causes serious harm to one of his brothers mates. Can't wait for Ben's story, he is having to much fun teasing his clan brothers, though maybe Kirt , "baby bear" needs to find his mate first.

I loved seeing Tania come out of her shell. Her shock of finding Jake was her mate was funny. Jake was so growly but you saw him grow during and after his mate runs. I wait for the next book. I am also curious about Ethan.

Loved Jakes book hope Ethan's is next....These books never disappoint they alway make me laugh.I also love how the series keeps you up to date with pass couples
