# I Want My Banana! / ÂiQuiero Mi PlÃaitano! (Spanish And English Edition)

## Synopsis

Four color-illustrated picture books entertain young children while teaching them the fundamentals of Spanish. On each page, a line of story text is in English at the top and in Spanish at the bottom.

Language: Spanish, English

ISBN-10: 0812065808

ISBN-13: 978-0812065800

Product Dimensions: 7.2 x 0.4 x 8.9 inches

Shipping Weight: 8 ounces

Average Customer Review: 4.7 out of 5 stars [See all reviews](#) (3 customer reviews)

Best Sellers Rank: #1,401,874 in Books (See Top 100 in Books) #161 in [Books > Libros en espaÃ±ol > Infantil y juvenil > Referencia y No-FicciÃ³n](#) #682 in [Books > Libros en espaÃ±ol > Infantil y juvenil > Animales](#) #903 in [Books > Children's Books > Animals > Apes & Monkeys](#)

## Customer Reviews

A delightful way to read a story in English and learn Spanish at the same time (process also works in reverse). Monkey only wants a banana and refuses all other fruit jungle animals offer him.

Children and adults can identify with this single mindedness. All ages will love the simple words, rhymes and delightful pictures.

I bought this book for my children, who I am raising bilingually. This book is very simple, but the illustrations make the story very clear. The only improvement in my opinion would be to get rid of the English translation on each page. My reasoning for this is that if someone else reads your child the book in English, your child very well may request it in English (or, "plain," as my oldest calls it, lol) every subsequent time you pull the book out. At the back of the book, there is a glossary of the words used, which includes illustrations and pronunciation help for non-Spanish speakers.

I love this book. The pictures are adorable! The story has some tension, which all good stories do,

but not so much that it will frighten children.
