## Synopsis

¿Cómo poder retirarse joven y rico? La pregunta parecía no tener respuesta hasta que las recomendaciones financieras de Robert Kiyosaki, basadas en su destreza y su experiencia se abrieron el camino a los lectores para cumplir el sueño de alcanzar una vida sin preocupaciones económicas y ajenas en plena juventud! En Retírate joven y rico el autor comparte grandes momentos de su vida personal en situaciones tan difíciles como la quiebra, o llenas de emotividad como fueron las que marcaron su ascenso en la prosperidad económica y sus aventuras en los negocios, afirma que mediante el desarrollo de tres objetivos el lector puede aspirar a la riqueza económica, éstos son: el incremento de las habilidades de negocios, el aumento de las habilidades en el manejo de dinero y el incremento de las habilidades de inversión.

ENGLISH DESCRIPTION If you don't plan on working hard all your life... this book is for you. If you're ready to retire (or want to retire early enough to enjoy your retirement years) you can learn from Robert's story of how he and his wife Kim started with nothing and 'retired' financially free in less than 10 years. This book makes the case for how a context shift in the way we think about money and investing allows us to see opportunities others miss and create the life you deserve.
