Ravished By Legendary Beasts

Synopsis

After botching a heist, Jysandra the witch finds herself at the mercy of her criminal companions: a passionate minotaur, a handsome centaur, and a lusty demon. Tired of her recklessness, they demand compensation by proposing a distinctly physical arrangement. Is she strong enough to resist? Or will she surrender to their powerful, primal urges and risk the consequences of being filled by their vigorous seed? Ravished by Legendary Beasts is an 8,500 word (approx. 25 pages) erotic fantasy adventure story containing explicit descriptions of sexual intercourse between a woman and a group of mythical monsters from Ancient Greece.

Customer Reviews

Short but to the point. It did have some good character development and plot. I enjoyed the story. Was a little worried about the plot in the beginning but it ended well. Nice for a quick read to escape from reality on your fifteen minute break.
