Knights Of The Wizard (Of Knights And Wizards Book 2)

Synopsis

From best selling author A. J. Gallant "of Knights and Wizards" FIVE STARS Wizards, Dragons, True Fantasy! By Dii TOP 500 REVIEWER "Knights of the Dragon by A. j. Gallant is another of his â œguided toursâ • into a land full of fantasy, magic, dragons and knights from long ago. Often humorous, sometimes sweet, this adventure will carry its reader off into another land and another time. Marcus is a delightfully caring character, still fumbling through his youth. His perseverance to control his magic is actually quite admirable and the bravery he shows, remarkable."

Customer Reviews

I like the idea behind the book. I would like to see this series continue. I am enjoying watching Marcus grow into become a young man and a wizard. I would like to see more of Ash in the series and an interaction with him and Marcus. I have read both books and enjoyed them.

I read both books and I am hoping and waiting for the third to see both the human wizard and the dragon wizard grow up.go ahead read the free sample and if you enjoy it by all means get the book (read the first book "Knights of the Dragon" first so)

Lots of dragons magic and more

Good book
