Perfect manual for certifying BLS. Great delivery!!!!

Just what I needed for class, newest edition

Covers all the points needed and study questions to help with the exam.

Excellent Resource for Basic Life Support class. American Heart Association standards. I would recommend this to any one wanting to take a BCLS or BLS class!

Bought this to study for the online CPR course. Not a disappointment. It had everything that I needed to study for the exam and more.

Exactly what I was looking for and it came with the folding pocket cards. It came quickly.

Exactly as described. Just what I needed for my BLS CPR course. Thanks!

This will be of great value for an at home reference.
