This is not your ordinary book of women's monologues! This book reads like a collection of short stories from real women with real lives. Whether you're a woman in her 20's, 30's or 40's, there are monologues in here that you'll relate to and enjoy. Some are laugh-out-loud funny, so much so that my husband wanted to read what I was so amused by and enjoyed it, too! I highly recommend it!

Hilarious bits! VERY funny! I have use several of these monologues for auditions and have had great responses. For me, for an audition, some of these are a little short. They are so funny, I had to read them out loud to my husband! He loved them! Well worth the price!

I LOVE THIS BOOK!!! I stumbled onto a live reading from Alisha and her co-authors (aka friends) at Samuel French in Hollywood, CA. I was bubbling over with laughter and excitement that someone

had FINALLY written a good monologue book. Monologues are a nightmare for actors! I'm thankful to say my problem searching for the ultimate piece has been solved. I'm using this bad boy for the LA 1Minute Monologue Contest this weekend. Hopefully I can do it justice. Thanks Alisha!!

I LOVE comedy and there is nothing better than truly funny women comedians! It is wonderful to see more and more hilarious women thriving in a field that was once almost completely dominated by men. This book will take you there and help you to build the skills you need to succeed!

Alisha Gaddis' book is both an excellent reference for those struggling to find monologues for auditions, and for those looking for a funny change of pace from the usual summer reading fare. Settle in with a cool drink and enjoy!

Some fun monologues to use with your comedy auditions. However many of them are longer than time allowed to audition, but I'm sure you could edit for the time allowed.

Many good laughs!! I picked it up thinking I would read one or two monologues at a time, and I couldn't stop reading. Each one is such fun!! Delightful!!
