He sleeps with celebrities, jets around the globe and thumbs his nose at the tabloids. And every time he gets drunk and photographed with some random harlot claiming she's pregnant with his love child, I get the call. Clean it up, Charlie. Nolan's mess. You see, I'm Charlene de Monaco, Nolan's corporate attorney. Then he went and did it. Something so outrageous his daddy can't buy him out of it. I can't even lawyer him out of it. His only hope for redemption is pretending to straighten up and fly right. To act like he's in love with one woman. Committed. Monogamous. It's a solid strategy. Except for one fatal flaw. He picks me. This alpha billionaire romance is intended for mature readers 18+.

## Customer Reviews

Book 1 Here we meet Charlene aka Charlie. She is a lawyer finally landing her dream job. She is working a job where she can help low income families get housing. Something near and dear to her heart. Except hot Nolan Banks is a play boy who keeps getting himself into trouble. Charlie has to

get him out of trouble and keep him out. Not the job she hired on to do. Nolan likes her and keeps finding ways to be alone with her. She won't mix work with pleasure. Nolan needs her and for it to look like he is settling down so that his godfather will give him the land to produce the low income housing. Will she play along? Will he hurt her? These characters are great. You fall in love with them so quickly. I can't wait to read more of this story. Keep em coming please. Can't wait to see where this is going. Book 2 Love the story of Nolan and Charlie. In this story they continue the engagement. We learn more that Nolan has fallen for Charlie. I think Charlie has fallen for him too but is being very cautious. To receive property they both need they must go ahead and get married. Charlie was having trouble lying about the engagement and now we have to have a wedding. She is really struggling. They are both in love but to fake a wedding can she do it. This one breaks my heart. Will Nolan go after what he wants and will they tell each other this is not fake?? Bring on Book 3 and hurry I can't wait!!!! Book 3 I love this series. Love the character development. Oh my and the chemistry. This is the final to Charlie and Nolan. Charlie has left Nolan. She can't keep up with all the lies. She is devastated over the low income housing and knows she blew it. Nolan knows he can convince her to come back. Charlie is a strong woman and won't be pushed around.
