Logan: The Pride Of The Double Deuce - Erotic Paranormal Shapeshifter Romance

Synopsis

Logan Douglas was bored. Everyone seemed to have something to do, a purpose, except him, and he didn't know what to do about it. He needed to get out of town or get a life before he killed somebody. And if Mason made one more snide remark about him being available because he didn't have anything better to do it was gonna be him. Charlie Stone knew the meaning of being overworked and underpaid. That was the story of her life. If she hadn't needed what little pay she got from the nursing home, she'd have quit a long time ago. Now, the police were shutting the place down and she had nowhere to go. Logan had found his mate, Mary Shafer, when they were still children. They knew what they were to each other, but Mary had been killed by a drunk driver when she was only ten. As far as Logan was concerned he'd lost his only shot at love. One mate in a lifetime, everyone knew that. But what Logan couldn't understand was his attraction to the feisty beauty, Charlie Stone. She couldn't be his mate, he'd already lost his shot at that |.

Logan is ready to explode. He can't explain why, he just knows he's bored, feels useless, and

everything is making him angry. That's not him, but he doesn't know what to do about it. Thankfully, Landon, Emma's Dad, or Mason's father-in-law, senses Logan has reached that point where he needs to hear the news Landon has for him. Upon talking with Landon at a neighboring winery, of which the husband passed away and the remaining family can't, or won't, continue the business, Landon drops a couple of bombshells on Logan. One of them being that Logan is feeling left out and jealous of his brothers that have mated. Logan had found his mate as a child and lost her at a very young age when she died in a tragic accident. But, it seems that this neighbor had a connection to Logan's mate, one Logan was unaware of, and due to this, Logan may have just found what he needed to calm his anger and maybe find some sort of peace with his past and a mateless future. Charlie is in a tough spot. She hates her job, yet due to the actions and lie of a former boss, she has to take what she can get. The only thing that keeps her from quitting, besides desperately needing the money, is the residents at the nursing home. She knows something is going on, yet no one has listened to her. But when someone starts listening, things change for Charlie in ways she never expected, thanks to the Douglas family. Upon meeting, Logan and Charlie are instantly attracted, plus Logan makes Charlie feel safe which goes perfectly since he wants to protect her. But Logan never once thinks she could be his mate, even when he receives evidence to the contrary. Will Logan realize what Charlie is to him before it's too late? Will Charlie see that Logan is sincerely trying to get a second chance?
