Customer Reviews

alexandra breaks up with her bf. she meets a new guy and he is into bdsm. this book reminds me of 50 shades of grey. very similar but the book is entertaining in itself. i actually laughed at some of the parts in the book, i thought the writer was rather entertaining at some points. not something i get from most bdsm books. recommend this book

The Dark Secret is a quick but hot read centered around Alexandra and her problem with commitment, or rather lack of it from her significant other, until she meets... well, read it for yourself. That's a lot more fun! Looking forward to more books by Julia Sparks!

I liked this but it was far too short..could have gone on a little more it seems just seems it abruptly stops That is why I gave 4 stars.
