(DARK EROTICA) Veil Of Pleasure: (Taboo Erotica) (DARK EROTICA SERIES)

Synopsis

Though Andrea had been Devon's secretary for a number of years, her wavy brown hair and alluring rose petal scent still intoxicated him every time he passed her. To her surprise, she's invited to a gala event, and she's more than enthused to be his 'arm candy' for the night. She had always dreamed of being the one lucky enough to be chosen to attend one of Devon's elusive and upscale social events. Customer Reviews

When you buy erotica, you're not necessarily expecting a love story, but I always feel like it's a bonus when you get one. The journey of the characters as their relationships change, and as their relationships change them, makes the steamy scenes much steamier. This book has a really lovely and unconventional love story and it has sex scenes so hot I had to put my phone down for a minute sometimes. The fact that you can really fall in love with these characters only makes it hotter.

I like the idea, characters and the flow of the story. I'm a book lover, so it doesn't really matter for me whatever type of story it is as long as I enjoyed though there's a lot of intimate super hot scenes here. The author of this book has presented overwhelming thoughts about intimacy. It makes me think a lot after reading it. This kind of writing will really boost sexual desires and exercise your critical thinking. That's why I like this book. It's truly entertaining.

This is wow! I can't remember the last time I've read a dark novel but I must say that really gave me goosebumps. But this book, a dark erotica is totally different. Really unexpected to be like this but I like the story too bad it's just a short story but worth reading. I like David's character...too hot and dominate. And I do like Samantha too and the whole storyline.

Amazing. The characters pull you in from the start. Couldn't put this book down until it was finished. Hands down this book is steamier and more sexually intense. I like David's character - hahaha.... It was a great erotic romance novel and would recommend it to anyone interested in Hot stories.

I loved the stories in it - they're perfectly balanced and hot on so many levels. some filthy, some wry and dry and combustible. Story of love and taboo. This was short, interesting, and sexy. I'm going to look for more by this author.

The plot is interesting and exciting. You can read this romance novel at leisure. This is a unique short story that captivates the reader's attention. The characters were great; it makes the story more captivating. I really wanted to turn the page till the next chapter. Want to recommend to all my friends

This is the first time I have heard about dark erotica and I must say that I got intrigued. I find this story, Devil's Gala, such an engaging read. It has been about the journey of Andrea as Davon's long time secretary and long time object of desire too. And reading about the twists of events has been like watching a story unfold. So, I think this book has been effective enough. Really worth the read.

This book is surprisingly make your body feel sexy and steamy. It was a great erotic romance novel and would recommend it to anyone interested in Hot stories. I really enjoyed when I read that book.

The author did a great job. I would highly recommended to read this book everyone...
